

Workshop Registration: The Intersection of Ethics and Justice for Therapists

Date: April 22, 2016

Location: 2017 Colquitt St, Houston, TX 77098

Price: \$35.00

Registration: This is a small group workshop limited to six registrants.

Contact: Randall@ethicsbeyondcompliance.com

Description:

Justice is often neglected in discussions of ethics as it seems to be a societal problem rather than an individual problem, but what obligations do therapists have toward promoting justice? If we are not responsible for justice, who is? What is the importance of rights, interests, development, and capabilities? How can therapists promote justice, particularly given that they typically work with individuals rather than large populations?
